Independent Auditor's Report

To the Members of The Young Men's Christian Association of Edmonton (operating as YMCA of Northern Alberta)

Opinion

We have audited the financial statements of The Young Men's Christian Association of Edmonton (operating as YMCA of Northern Alberta) ("the Association"), which comprise the statement of financial position as at December 31, 2022, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of The Young Men's Christian Association of Edmonton (operating as YMCA of Northern Alberta) as at December 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

Our audit was conducted for the purposes of forming an opinion on the financial statements taken as a whole. The Schedule 2 and Schedule 3 on pages 28 and 29 are presented for purposes of additional information and are not a required part of the financial statements. Such information has been subjected to the auditing procedures applied only to the extent necessary to express an opinion in the audit of the financial statements taken as a whole.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

December 31, 2022

1. Nature of operations

The Young Men's Christian Association of Edmonton (operating as YMCA of Northern Alberta), (the "Association") is part of the worldwide fellowship dedicated to creating life-enhancing opportunities for the growth and development of all people in spirit, mind and body and to support the development of strong kids, healthy families and thriving communities. The Association provides services in each of the Edmonton, Grande Prairie, Wood Buffalo and Red Deer regions within the province of Alberta. The Association was incorporated in 1907 under an Act of the Alberta Legislature as a not-for-profit organization, is a registered charity under the Income Tax Act and is exempt from income taxes.

Over the past three years, the operations of the Association were negatively impacted by COVID-19 related conditions and government restrictions and closures. In 2022, the Association began to experience recovering participation levels and increased revenue as the impacts from the pandemic subsided. This recovery is continuing into 2023.

The Board of Directors and Management are continuing to develop and assess strategies for the long-term financial sustainability of the Association, post the COVID-19 pandemic. Management is also actively pursuing a business interruption insurance claim related to the impact on operations caused by the COVID-19 pandemic.

2. Summary of significant accounting policies

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") and include the following significant accounting policies:

Use of estimates and measurement uncertainty

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Management reviews the carrying amounts of items in the financial statements at each balance sheet date to assess the need for revision or any possibility of impairment. Management determines these estimates based on assumptions that reflect the most probable set of economic conditions and planned courses of action. Actual results could differ from those estimates.

Significant estimates included in these financial statements are the useful lives and amortization basis for capital assets, fair value of contributed capital assets and intangible assets and valuation of allowance for doubtful accounts receivable.

(Operating as YMCA of Northern Alberta)**

Notes to the Financial Statements

2. Summary of significant accounting policies (cont'd)

Revenue recognition

The Association follows the deferral method of accounting for contributions.

Restricted contributions, including operating grants, are recognized as revenue in the year in which the related expenses are incurred. Restricted contributions received for the purchase of capital assets that will be amortized are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired capital assets. Restricted contributions for the purchase of capital assets that will not be amortized are recognized as a direct increase in the investment in capital asset fund. A liability to repay a restricted contribution with contingent repayment terms is accounted for in the period in which conditions arise that causes the restricted contribution to be repaid.

Pledged amounts represent promised contributions from individuals and corporations. Given that pledged amounts are not legally enforceable claims, they have not been reflected in the financial statements.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Membership dues, program fees, rental and other revenue and housing revenues are recognized when the related service is performed and when reasonable assurance exists regarding the measurement and collection of the consideration received.

Interest on bank accounts is recorded as revenue when earned.

Cash and cash equivalents

Cash and cash equivalents are comprised of cash, including bank savings accounts, and cashable guaranteed investment certificates which are highly liquid or convertible to cash in less than one year.

2. Summary of significant accounting policies (cont'd)

Financial instruments

Initial measurement:

The Association's financial instruments are measured at fair value when issued or acquired. For financial instruments subsequently measured at cost or amortized cost, fair value is adjusted by the amount of the related financing fees and transaction costs. Transaction costs and financing fees relating to financial instruments that are measured subsequently at fair value are recognized in operations in the year in which they are incurred.

Subsequent measurement:

At each reporting date, the Association measures its financial assets and liabilities at cost or amortized cost (less impairment in the case of financial assets). The Association uses the effective interest method to amortize any premiums, discounts, transaction fees and financing fees to the statement of operations. The financial instruments measured at amortized cost are cash and cash equivalents, accounts and grants receivable, accounts payable and accrued liabilities and long-term debt. The carrying value of financial instruments approximates their fair value due to the short-term nature, unless otherwise noted.

For financial assets measured at cost or amortized cost, the Association regularly assesses whether there are any indications of impairment. If there is an indication of impairment, and the Association determines that there is a significant adverse change in the expected timing or amount of future cash flows from the financial asset, it recognizes an impairment loss in the statement of operations. Any reversals of previously recognized impairment losses are recognized in operations in the year the reversal occurs.

Related party financial instruments:

Financial assets and financial liabilities in related party transactions are initially measured at cost, with the exception of certain instruments which are initially measured at fair value. Subsequent measurement is based on how the Association initially measured the instrument. The Association does not have any financial assets or financial liabilities in related party transactions measured at fair value.

2. Summary of significant accounting policies (cont'd)

Controlled not-for-profit organization

The Association reports a controlled not-for-profit organization (YMCA of Northern Alberta Foundation) by disclosing information about the controlled not-for-profit organization. As a result, the Association's financial statements do not include the financial position, financial performance or cash flows of YMCA of Northern Alberta Foundation.

Inventories

Inventories are valued at the lower of cost and net realizable value. Cost is based on actual original purchase price of inventory. Net realizable value is defined as the estimated selling price less estimated selling costs.

Capital assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution.

Amortization is provided using the straight-line method over the estimated useful lives of the assets as follows:

Buildings	4 to 25 years
Building upgrades	10 years
Furniture and equipment	1 to 5 years
Computer software/hardware	1 to 10 years
Leasehold improvements	3 to 5 years
Equipment under capital leases	3 to 5 years
Vehicles	5 years

The Young Men's Christian Association of Edmonton (Operating as YMCA of Northern Alberta)

Notes to the Financial Statements

December 31, 2022

2. Summary of significant accounting policies (cont'd)

Impairment of long-lived assets

The Association tests for impairment when events or changes in circumstances indicate the carrying amount of an item or class of capital assets may not be recoverable. The recoverability of long-lived assets is based on the net recoverable amounts determined on an undiscounted cash flow basis. If the carrying amount of an asset exceeds its net recoverable amount, an impairment loss is recognized to the extent that fair value is below the asset's carrying amount. Fair value is determined based on quoted market prices when available, otherwise on discounted cash flows over the life of the asset.

Intangible asset

Contributed intangible assets are recorded at fair value at the date of contribution. Amortization is provided using the straight-line method over the original estimated useful life of the asset. For the Right to use land asset related to the Melcor YMCA Village title, the estimated useful life was originally estimated to be 20 years.

Long-lived assets held for sale

Long-lived assets are classified as held for sale when there is a commitment to sell and the sale is probable and is expected to be completed within one year. Long-lived assets classified as held for sale are measured at the lower of carrying amount or fair value less cost to sell. Long-lived assets will not be amortized while classified as held for sale and any expenses attributable to the assets will be accrued.

Employee future benefits

The Association has a defined contribution pension plan. Pension costs comprise the cost of the employer contributions for the current service of employees during the year.

Donated materials and contributed services

Donated materials and services are recorded at fair value when the fair value can be reasonably estimated and when the materials and services are normally purchased by the Association. The Association is dependent upon the services provided by its volunteers. Volunteers contributed numerous hours in carrying out the activities of the Association. Due to the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

4. Related parties (cont'd)

There have been no significant events or transactions from March 31, 2022 to December 31, 2022 in the Foundation which would impact the Association's financial position or results of operations.

b) The Regional Council of YMCAs of Alberta

The Association exercises significant influence over the affairs of The Regional Council of YMCAs of Alberta (the "Regional Council") due to its right to appoint one of four members of its Board of Directors.

The mission of The Regional Council of Young Men's Christian Associations of Alberta ("YMCA Alberta") is to foster growth and development of local YMCAs throughout Alberta by providing leadership development programs, advocating for social policies which positively impact communities and the not-for-profit and charitable sector and supporting program development, delivery and stability, locally, nationally and internationally. The Regional Council has a commitment to work with the private sector, other not-for-profits, orders of government and community members to empower Albertans at all ages and stages so they can achieve their potential.

The Regional Council is incorporated as a not-for-profit organization under the Alberta Societies Act and is a registered charity under the Income Tax Act. Financial transactions between the Association and the Regional Council are in accordance with the annual budget approved by the Regional Council Board of Directors.

c) Boyle Renaissance Condominium Corporation

The Association exercises significant influence over the Boyle Renaissance Condominium Corporation ("BRCC") (Note 19) due to its ownership of units in the BRCC and representation on the Board of Directors.

d) Other

The Association paid professional fees during the year totalling \$4,676 (2021 – \$82,933) to a firm (2021 – two) in which an Association Director holds an ownership interest plus rent payments during the year totalling \$66,844 (2021 - \$nil) to a property management firm in which a Director is a member of senior management.

Buildings include \$1,536,451 (2021 – \$1,635,577), net of accumulated amortization, relating to an interest in the YMCA Welcome Village parkade, owned through the Association's interest in the Boyle Renaissance Condominium Corporation ("BRCC") (Note 19).

b) Intangible asset

The intangible asset represented the Association's right to use the land represented by the Melcor YMCA Village unit ownership, a component of the Welcome Village. The asset had been recorded at fair market value for the land upon contribution in 2013, at \$2,526,000, as a proxy for the value of the right to use land asset and has been amortized on a basis of twenty years, the initial expected use by the Association. Subsequent to the year end, the Melcor YMCA Village unit was transferred to Cvida. The net book value of the intangible asset of \$1,336,675 is reflected in the balance of the long-lived assets held for sale as at December 31, 2022 (Note 19).

6. Bank operating lines of credit

The Association has two operating lines of credit as described below:

- a) \$1,500,000 (2021 – \$1,500,000) of which \$nil (2021 – \$nil) is outstanding at year end. This facility is due on demand and bears interest at the bank's prime rate plus 0.5% (2021 – prime rate plus 0.5%). Under the terms of the credit facility agreement, the lender has a second floating charge on all current land holdings of the Association, along with any future acquisitions of land. In addition, there is a second charge on all other property owned by the Association.
- b) \$3,000,000 (2022 - \$3,000,000) of which \$nil (2021 - \$nil) is outstanding at year end. This facility is due on demand and bears interest at the bank's prime rate plus 0.5% (2021 – prime rate plus 0.5%). Under the terms of the credit facility agreement, security for this line of credit has the same components as those listed for the four mortgages in Note 9(a).

7. Accounts payable and accrued liabilities	<u>2022</u>	<u>2021</u>
Trade payables, accrued liabilities, and child care and rental deposits	\$ 4,671,310	\$ 3,380,897
Government payables	<u>193,156</u>	<u>771,997</u>
	<u>\$ 4,864,466</u>	<u>\$ 4,152,894</u>

Provisions are made for the Association's liability for employee future benefits arising from services rendered by employees to the balance sheet date. As such, at December 31, 2022, the Association has included in trade and accrued liabilities \$1,078,570 (2021 – \$952,664) related to unused vacation entitlement that has accumulated.

9. Long-term debt (cont'd)

- a) The financing agreement for the Association's four mortgages payable includes a demand feature that allows the lenders to demand repayment at any time. However, the financial institutions have committed to the Association that repayment will not be demanded on these mortgages payable prior to January 1, 2024. These commitments are based on the assumption that the Association will continue to meet all other related conditions and repayment terms of the agreement. As a result of these commitments, the Association has classified the liability as long-term debt, other than the \$1,462,538 mortgage as noted in (c) below.
- b) Security for the four mortgages includes:
- A general security agreement providing a first charge over all assets pertaining specifically to the Don Wheaton Family YMCA facility and parkade, including all present and after acquired personal property and proceeds;
 - A demand mortgage in the amount of \$18,500,000 on the Don Wheaton Family YMCA facility and the parkade, with a combined carrying value of \$10,940,280 (2021 – \$11,888,328);
 - General assignment of rents, insurance proceeds and leases receivable by the Association;
 - General assignment of material contracts and benefits with respect to the Don Wheaton Family YMCA, and;
 - Demand notes.
- c) The \$1,462,538 Mortgage payable is scheduled to be renewed on June 1, 2023 and is reflected as currently payable. Subsequent to the year end, the \$1,489,785 mortgage was renewed with the following terms: Mortgage payable, bearing interest at 6.22%, repayable in blended monthly instalments of \$20,704, amortized until March 1, 2030 with terms renewing April 1, 2025.
- d) The principal payments due within the next five years and thereafter, assuming the loans are renewed at the current terms, are estimated as follows:

2023	\$ 1,871,295

10. Long-term reserve fund payable

In 2020, the agreement with the City of Red Deer related to the Association's operations at the Northside Community Centre was amended to provide for a \$400,000 reserve fund payable. This balance relates to unexpended funding provided by the City of Red Deer for past operations and may be applied to future operational funding, upon application to and receipt of approval from the City. This reserve fund is fully funded through a \$400,000 cashable guaranteed investment certificate, bearing interest at 4.2% and maturing on January 1, 2024, which is included in restricted cash equivalents. At the end of the term of the agreement, on June 30, 2024, any amount left in the reserve fund is payable to the City of Red Deer.

13. Gain on disposition of land and building and rent reimbursement

In 2021, due to the City of Edmonton's requirement to acquire the former Bill Rees YMCA land and building site, the assets were sold to the City. In addition to the gain on disposition reported in 2021, the terms of the sale agreement provided for the City to reimburse the Association for moving costs plus occupancy costs for a period of three years ending March 31, 2024, related to a leased office location. Related reimbursements of \$501,895 (2021 - \$435,965) are included in rental and other revenue.

14. Commitments

a) Operating leases and service contracts

The Association has forty-nine leased premises subject to operating lease commitments.

The minimum annual lease payments under these operating leases are as follows:

2023	\$ 1,524,341
2024	876,015
2025	768,271
2026	679,735
2027	430,761
Thereafter	<u>1,243,119</u>
	<u>\$ 5,522,242</u>

b) Electrical power purchase agreement

The Association has signed agreements to purchase power at a fixed rate for a specified volume for the period from January 1, 2021 to December 31, 2023 and for the period from January 1, 2024 to December 31, 2026.

c) Natural gas purchase agreement

The Association has signed agreements to purchase natural gas at a fixed rate for a specified volume for the period from January 1, 2023 to December 31, 2024.

d) Restriction of use

The Association has agreed to certain commitments to the City of Edmonton relating to the four Health, Fitness and Aquatic facilities located in the Edmonton region, intended to ensure the facilities continue to provide recreational services to members of the community.

The Young Men's Christian Association of Edmonton (Operating as YMCA of Northern Alberta)

Notes to the Financial Statements

15. YMCA Opportunity Fund

During the year, membership and program fees totaling \$550,817 (2021 – \$163,486), for qualifying individuals and families, were sponsored through the Association's financial assistance program (the YMCA Opportunity Fund) which is funded, in part, by the annual YMCA Giving fundraising campaign.

The annual YMCA Giving fundraising campaign also supports the Association's international partnerships and related program costs.

In 2021 and 2020, YMCA Giving contributions were also directed to support the Association's "greatest needs" which arose due to the COVID-19 pandemic impacts and challenges relating to service delivery.

16. Pension expense

The Association has a defined contribution plan covering eligible employees. Contributions are computed as a percentage of compensation. The expense recorded in relation to the employee benefit plan for the year ended December 31, 2022 was \$900,234 (2021 – \$891,234).

17. Financial instrument risks

The Association's main financial instrument risk exposure is detailed as follows:

The Association holds guaranteed investment certificates, which are subject to various risks such as interest rate and market fluctuations. These risks are mitigated by restricting both the type and term of securities eligible for investment. The Association is subject to interest rate risk due to the variable rate applicable to the mortgages payable. It is management's opinion that the Association is not exposed to significant interest rate risk arising from financial instruments.

The Association is exposed to credit risk from members, program participants, organizations receiving services and related parties. Credit risk arises from the possibility that the individuals, families and entities to which the Association provides services may experience financial difficulty and be unable to fulfil their obligations. The Association's receivable balance is made up of numerous and diverse receivables, which reduces the concentration of credit risk.

The Young Men's Christian Association of Edmonton (Operating as YMCA of Northern Alberta)

Notes to the Financial Statements

December 31, 2022

17. Financial instrument risks (cont'd)

The Association is exposed to liquidity risk as the Association could encounter difficulty in meeting obligations associated with its financial liabilities and commitments. The Association is, therefore, exposed to liquidity risk with respect to its accounts payable and accrued liabilities and long-term debt. The Association actively monitors its obligations to ensure that it has available funds to meet current and foreseeable future financial requirements based on the forecasting and management of its operational cash flows. This expectation could be adversely affected by a material negative change in the Association's operations.

18. Fundraising

The Association creates opportunities for all participants and members to form relationships and gain a sense of belonging and involvement. This comprehensive fund development program incorporates a variety of activities, including community engagement, Endowment giving, grant writing, the annual Y Giving fundraising campaign and during some years, capital campaign administration. Total costs for the fund development program for the year ended December 31, 2022, were \$266,359 (2021 – \$325,780) including sponsorship, special event and professional fees in addition to \$226,400 (2021 – \$260,306) in salaries, wages, and benefits. In addition, the direct cost of the 2022 Y Giving campaign of \$32,466 (2021 – \$35,509) was expensed.

19. YMCA Welcome Village and subsequent event

In 2009, the Association entered into a Memorandum of Understanding ("MOU") with Civida (formerly Capital Region Housing Corporation) relating to the development of the YMCA Welcome Village.

The Boyle Renaissance Condominium Corporation ("BRCC") was registered in 2013 for the purpose of facilitating the long-term ownership structure of the YMCA Welcome Village units. In 2013, legal titles of the following BRCC units were transferred to the Association and continue to be reflected in capital assets:

- Shirley Stollery YMCA Child Care Centre;
- YMCA Family Resource Centre, and;
- A portion of the West Building external structure and parkade (Note 5(a)).

The Association has extended, to December 31, 2025, a long-term lease for \$1 per year, with the City of Edmonton, relating to the West building access and office administration.

The Young Men's Christian Association of Edmonton (Operating as YMCA of Northern Alberta)

Notes to the Financial Statements

December 31, 2022

19. YMCA Welcome Village and subsequent event (cont'd)

The Association also received title to the BRCC unit representing the Melcor YMCA Village facility. Initially, it was intended that the Association would hold this title for a minimum of twenty years, the period of time that the Association was committed to operating affordable housing services under the terms of the related provincial government capital grant.

The right to use land asset related to the Melcor YMCA Village facility had been recorded as an intangible asset (Note 5 (b)), at the estimated fair market value of \$2,526,000, in 2013, as a proxy for the value of the right-to-use land asset.

In 2013, an agreement was made with Cvida which included the following:

- Allowing Cvida an option to purchase the Melcor YMCA Village facility and the related reserve fund for \$10. The option could be exercised at any time prior to January 18, 2034, with a transfer of ownership occurring not before January 18, 2034, and
- That the Association would maintain a capital reserve to be used for major capital repairs, the balance of which will be transferred to Cvida if ownership transfers. All expenditures from the reserve were subject to written approval of Cvida.

The COVID-19 pandemic had a significant impact on the operations of the Melcor YMCA Village with the occupancy dropping to the range of 50%. Management determined that the affordable housing model of operation alone was no longer contributing to the community to support housing security and address the issue of homelessness. Given the level of operating losses, it became clear to the Association, Cvida and the provincial government that the operations of the facility would be optimized with a change, including both a community supportive housing model along with the affordable housing program.

During 2022, negotiations commenced between the Association and Cvida to transfer the title representing the Melcor YMCA Village facility, the right to use land asset and the capital reserve for \$10. The negotiations were based on the consideration that Cvida, based on their existing range of operations, could maximize the benefit of the facility in providing housing services to the community.

Subsequent to the year end, the Association received confirmation from the provincial government that the requirement to complete the twenty-years of affordable housing services was waived and title to the assets was transferred to Cvida. The Association recorded a gain of \$262,072 as a result of the de-recognition of the related assets and liabilities.
